Research Station Projects

Research Project	Project Leader
White sage fertility study	R. Gladon/A. Beaman
Disease-resistant apple field trial	M. Gleason
RAMP Project	M. Gleason
Sooty blotch/flyspeck pruning and spray-volume trial	M. Gleason
Anthracnose fruit rot of strawberry field trial	M. Gleason
Cultivar resistance trail on hosta	M. Gleason
Melcast for anthracnose control	M. Gleason
Elm tree trial	M. Gleason
High tunnel raspberry production	G. Nonnecke/P. Domoto
Cover crops for rotation in strawberry production	G. Nonnecke/D. Portz
Kaolin clay as a weed barrier in a plasticulture system	G. Nonnecke
Small fruit teaching planting	G. Nonnecke
SASKATOON'S–stock plants	G. Nonnecke
Student orchard	G. Nonnecke/P. Domoto
Grape replant study	G. Nonnecke/D. Portz/C. Dilley
Soil quality research	G. Nonnecke/C. Dilley
Weed management strategies on soil quality in June bearing strawberry production	G. Nonnecke/C. Dilley
Tomato K*B trial	H. Taber
Herbicide residue study	H. Taber
Sweet corn topping trial	H. Taber
High tunnel tomato trial	H. Taber
High tunnel tomato trial (field)	H. Taber
Shade tree trial	J. Iles
Flowering crab trial	J. Iles
Home demonstration garden	C. Haynes
Home strawberry demonstration garden	C. Haynes
Leopold management trial	P. Domoto
Wine grape trial	P. Domoto
NC140 apple rootstock trial	P. Domoto
Nut breeding project	P. Domoto
NTEP Kentucky bluegrass/syngenta mesotrione	*Turf Grass Research Group
NTEP Kentucky bluegrass	*Turf Grass Research Group
NTEP perennial ryegrass	*Turf Grass Research Group
NTEP fine fescue	*Turf Grass Research Group
NTEP tall fescue	*Turf Grass Research Group
NTEP bentgrass (fairway height)	*Turf Grass Research Group
NTEP bentgrass (green height)	*Turf Grass Research Group
Shade Adaptation Study	*Turf Grass Research Group
LIST Study	*Turf Grass Research Group
Non-irrigated Kentucky bluegrass fairway height study	*Turf Grass Research Group
ISTMA demonstration area	*Turf Grass Research Group

Research Project (continued)	**Project Leader**
IGCSA demonstration area	*Turf Grass Research Group
IPLCA demonstration area	*Turf Grass Research Group
Syngenta preemerge crabgrass	*Turf Grass Research Group
Syngenta preemerge crabgrass	*Turf Grass Research Group
Syngenta preemerge crabgrass	*Turf Grass Research Group
Syngenta preemerge broadleaf	*Turf Grass Research Group
Syngenta postemerge broadleaf	*Turf Grass Research Group
USGA green	*Turf Grass Research Group
Fairway height bentgrass	*Turf Grass Research Group
Colonial bentgrass/buffalo grass spaced plant study	*Turf Grass Research Group
Fertilizer study	*Turf Grass Research Group
Bentgrass fertilizer study (Lesco)	*Turf Grass Research Group
Corn gluten meal 1999	*Turf Grass Research Group
Corn gluten meal 1995	*Turf Grass Research Group
Corn gluten meal 1991	*Turf Grass Research Group
EcoCare herbicide study	*Turf Grass Research Group
Baker herbicide study	*Turf Grass Research Group
Falk interval herbicide study	*Turf Grass Research Group
Falk standard 2 herbicide study	*Turf Grass Research Group
Falk Weed and feed study	*Turf Grass Research Group
Sand pad plot for phyto/chlorosis study	*Turf Grass Research Group
Heat way study	*Turf Grass Research Group
Certainty herbicide (Kentucky bluegrass)	*Turf Grass Research Group
Certainty herbicide (bentgrass)	*Turf Grass Research Group
Preemerge corn gluten meal (formulations/Boersma)	*Turf Grass Research Group
Traffic study	*Turf Grass Research Group
Dollar spot (fairway/green)	*Turf Grass Research Group
Student Organic Farm	K. Berns/N. Howell
Regulating invisibility through species aggregation in grasslands	B. Wilsey/K. Yurkonis
Prairie cover crops	B.Wilsey/A. Blong
Populus cultivar biomass study	R. Hall
Soybean aphids and nematodes on soybeans	F. Avendano
American toad breeding colony	J. Miller/E. Walsh
Mosquito-borne encephalitis surveillance	L. Bartholomay
Mourning dove nesting	D. Otis/D. Miller
Tree swallow nesting	C. Vleck
Turtle reproduction study	M. Valenzuela
Woody plant soil moisture study and hardiness and provenance on woody plants	B. Graves/B. Quint
Soybean aphids and nematodes on soybeans	F. Avendano
NPEP tall fescue study	S. Fei

*Turf Grass Research Group – N. Christians/D. Minner/S. Fei/M. Gleason
